

Show Points System

Since 1998 the Belted Galloway Society has made annual awards to outstanding animals shown during the year. The system for calculating the accumulation of points toward awards is defined below.

Base Points System

Classes with 3 or more entries	4	3	2	1	1	1
Classes with 2 or less entries	2	1

Produce of Dam – points awarded to dam and Breeder	4	3	2	1		
Breeders Herd points awarded to the breeder	4	3	2	1		
Grand Champion	5					
Reserve Grand Champion	3					

Points are to be awarded in Open shows that allow all those exhibiting Registered/Recorded Belted Galloway cattle to show.

Points will not be awarded within this system for Junior or AOB shows.

Points will be awarded in Galloway Shows as per our Points System as how they are placed in the entire show.

In the case of a co-owned animal, the owner's may split the points or if mutually agreed upon, they may decide to have only one owner awarded the entire exhibitor points and the other owner to receive none. This agreement must be sent in written format to the Executive Director prior to the show with both exhibitor's signatures.

Breeder Points will be awarded as the breeder is listed on the certificate. For example in a case of an animal with two breeders listed, the points will be awarded under the joint breeders. If Farm A and Farm B are both listed as breeders of the animal, the breeder points are awarded under both Farm A and Farm B, the points may not be split or awarded to just one of the listed Breeders.
