Dick Williams, Marietta, South Carolina

Your Council continues to work hard in preparation for our national show and sale in conjunction with North American International Livestock Exposition this November in Louisville, Kentucky. We are excited about the 2018 National Belted Galloway show. For the first time, it will pay \$5000 in premiums in the purebred shows. Additionally, the annual meeting for the Belted Galloway Society will be included in the three-day-event beginning November 13, 2018. Please plan to participate. Also new this year is the addition of Mike Jones of West Point, Georgia who will serve as our auctioneer/sales manager for the Belted Galloway Premium Sale. *Consignments are now open!*

Mike Jones has spent his entire working career in the marketing of purebred livestock having served as the eastern fieldman from 1973-1978 with the *Drovers Journal* working with all breeds of cattle and hogs. In 1980, Mike began his auction career being self-employed since that time auctioning and managing sales of all breeds. Mainly known as an Angus auctioneer, Mike also has managed numerous auctions in the Simmental, Charolais, Tarentaise, Belted Galloway, and commercial replacement female sales. In the early to mid-1990's Mike managed and auctioned several Belted Galloway sales including several auctions in the Carolinas, Georgia, the historic Welcome Farms herd setting dispersal in New York and serving as auctioneer at the Fryeburg Sale.

In 1974, the historic International Livestock Show in Chicago, Illinois moved to a new location in Louisville, Kentucky where that prestigious exhibition of superior livestock continued and has grown into the most significant

event of its kind in the world known as the North American International Livestock Exposition. The facilities at the North American are state of the art covering 1.3 million square feet under roof on a property totaling 500 acres. Now in its 45th year; each November this event features National Shows for many species including beef cattle, dairy cattle, sheep, goats, swine, draft horses, riding horses, harness horses plus alpacas and llamas. Breed association annual meetings and auctions are other highlights of the North American while consignors, breeders, and ag enthusiasts from across the nation, Canada and around the world come to exhibit, purchase and learn about top breeds of livestock. The green shavings in the show ring of the climate-controlled Freedom Hall show arena have become a worldwide icon for the exhibition of quality cattle of all breeds of cattle plus the competition for junior show heifers and steers that always draw a packed house audience.

The North American International Livestock Exposition is a showcase opportunity for breeders to promote their respective breeding programs in full view of fellow breeders. So why bring your best Belted Galloway cattle to Louisville? It is a unique opportunity to put your years of effort in investing, selecting and producing cattle that make up your breeding program in front of hundreds of Belted Galloway cattlemen and cattlemen of other breeds in one setting. It is costly to exhibit at the show or consign to the auction at an event like this. However, that cost is an advertisement for your entire breeding program, not just in one or two animals. How else could you get 100-200 people in one day to see your cattle? It generally is just not feasible. But the Belted Galloway Premium Sale can do just that! New contacts, new friends, and private treaty sales are all the result of bringing your best to Louisville for the world to see! Look for updates each month in this newsletter.

# Entry Deadline September 15, 2018

### The 2018 Belted Galloway Premium Sale

Wednesday, November 14, 2018 at 5 pm  
Live Auction! New Market Hall Sale Arena  
Kentucky Fairgrounds and Expo Center  
Louisville, Kentucky

*Seeking top Bred Heifers, Open Heifers, Cow/Calf Pairs, Bulls, Embryos, ET Pregnancies, & Semen*

To consign contact: Mike Jones, Sale Manager 706-773-3612  
Vic Eggleston, DVM 608-220-1091

Greg Hipple 319-430-6664  
Dawson Masters 972-465-0339

The New England Galloway Group had very gracious hosts for the group's annual summer meeting. Otakahe Farm, the Bert and Kris Von Dohrmann family, and Big Sky Farm, the David Rodham family, welcomed over 50 people who gathered at Otakahe Farm in the serene White Mountains of New Hampshire. The NEGG discussed their continued support of youth through events such as the Fryeburg Youth Show, Big E and more. A discussion also included membership ideas and the benefits of being a NEGG member. There was much discussion about the rule changes regarding mismarked and Appendix animals. NEGG members were informed about the Council's decision for shows at NAILE this year. Many of the present membership support showing only complete belts in Belted Galloway shows. The Northeast Regional Show to be held at Fryeburg Fair will allow registered mismarked animals to show this in the Belted Galloway Show this year. In 2019, registered mismarks will not be placed in that show, but will show in the AOB Show. This will allow youth and members time to adjust accordingly. We had a delicious BBQ meal and ended the day with a NRCS presentation on insects and pasture grasses followed by farm tours. *Submitted by Corrina Caron (ME), NEGG Secretary.*

## Junior Support Needed

*Janie Tripp Chairman of BGJA*

The Belted Galloway Junior Association was founded 22 years ago to support Belted Galloway youth ages 8-21. The Belted Galloway Junior Association is an outstanding group of nearly 150 junior members who work year-round dedicating their efforts in the promotion of Belted Galloway cattle. BGJA members exhibit and show animals, belong to various cattle organizations and 4-H clubs, participate in educational contests, and market their cattle across the country. It is no secret that it is a challenge to plan programs for such a small group on a national level. We are thankful that our regional groups support our junior members in their respective areas.

The annual Kathi Jurkowski Junior National Show in Louisville, Kentucky, held during the North American International Livestock Exposition, showcases our junior members and their animals. Showmanship, hands-on-clinics, a photo contest, cash

prizes, buckles, and fun are all part of the program at NAILE.

Six buckles are awarded to the prospective Grand and Reserve Champion heifers (Purebred and Appendix) plus steers. The Grand Champion steer is awarded a \$1000 cash prize and the reserve wins \$500! It is exciting to offer this caliber of a prize.

Please consider donating to our program. A donation of \$110 will sponsor a championship buckle. Your farm name will be engraved on the back of the buckle to commemorate the donation. A donation of \$50, \$75, or \$100 will generously support the cash prizes. If you choose to donate, please make your check out to: Belted Galloway Junior Association. In the memo line place the words: Jackpot Buckle (for buckles) or BGJA donation (for cash prizes/activities). Mail your donations to Janie Tripp, Chairman, Belted Galloway Junior Association 3037 Melvin Mason Rd. SE, Brookhaven, MS 39601.

A silent auction to benefit the BGJA will also be held. Please consider attending and donating an item. It's a super fun event!

We are very proud of our youth. As an association, we strive to ensure a future for our way of life for generations to come.

## Photo Contest 2018

The Belted Galloway Junior Association is hosting its annual photo contest open to junior members. Photos should feature Belted Galloway cattle and can be either color

or black and white images, and will be displayed at NAILE in Louisville, Kentucky in November.

Prizes will be awarded for 1st - 5th places in each age group,

and a viewers' choice contest will be held at NAILE in November. Entries will be accepted in three categories: Novice (Ages 6 to 9), Intermediate (Ages 10 to 15) and Senior (Ages 16 to 21). Age as of January 1, 2018. Each junior member may submit up to 3 images. Entry deadline is October 15, 2018. Entries must be submitted digitally and should be high resolution. Email entries to [five\\_oaksfarm@yahoo.com](mailto:five_oaksfarm@yahoo.com) or upload to <https://tinyurl.com/y9mf6t8q> File names should be: youth-name.title.jpg Entry form must be filled out and returned by email. All photos become the property of BGJA. BGJA reserves the right to use any images submitted for publication, marketing, fundraising, and publicity in print and online.

## 2018 Mandatory Testing Requirements

All bulls born on or after January 1, 2018 are required to be DNA and hypotrichosis tested before registration. Fees for the mandatory DNA and hypotrichosis testing are \$65. The Executive Director's office will generate the paperwork for samples to be submitted to UC Davis.

Bulls born on January 1, 2018 or after, may be registered with the CLRC for \$30 *after the DNA and hypotrichosis testing are completed*. Council reduced the registration fee to \$30 for all bulls born on January 1, 2018 or after to accommodate the mandatory testing.

The Executive Director's office will notify the breeder with the test results and an authorization for registration.

Bulls born before January 1, 2018 are not required to be DNA or hypotrichosis tested and fees for registration will remain \$50.

## About Classifieds

**Your classified's required contact information — name, farm, location, phone and email.** All classified ads are automatically placed on [beltie.org](http://beltie.org) with a two-month limit on classified insertions. Photos are FREE when placed on [beltie.org](http://beltie.org). One photo per animal. Email ads to [executivedirector@beltie.org](mailto:executivedirector@beltie.org) or by fax (608) 527-4811 or phone (608) 220-1091. We encourage members to submit ads before the 25th of the month to be included in the upcoming issue.

**About bulls ...** Before advertising a young male be sure he is well conformed, tracks properly, has good legs and feet, and exhibits good weight gains. We recommend including data on his birth weight, 205-day weaning weight, and yearling weight. If he's reached breeding age (around 16 months), it's definitely a plus to have his semen checked for quantity and motility, and uniform scrotal development (two normal sized testicles). It is required that registration numbers be included on bulls advertised for sale in the classifieds.
