

# US BELTIE NEWS

## PRESIDENT'S MESSAGE

### President Janie Tripp

Happy July! Here in Mississippi we have finished AI'ing the cows, doing embryo work, and we will move the clean-up bulls into summer pastures. We are using dun and black bulls, so calving season will be fun next spring with different colors of calves in the pasture. I have also been busy making hay

around the tropical weather patterns we have experienced here in Mississippi.

In early spring the Belted Galloway Junior Association met and our two junior committee members Sophia Romani (RI) and Sawyer Bales (IN) expressed their support to hold a virtual show for junior Belted Galloway breeders. In light of the COVID-19 pandemic, BGJA leader Dustin James (ME) worked with them and held a successful virtual event. Dustin's report appears within this newsletter.

I was happy to hear that the Southwest Belted Galloway Association was able to hold their show and field day in late May thanks to Dawson and Barbara Masters hosting it at their Double M Ranch in Malone, Texas.

The Great Lakes Belted Galloway Association was also able to hold their show in Pecatonica, Illinois.

It is encouraging that Belted Galloway breeders could get out and actually meet and show cattle in these regions.

The Belted Galloway Society is planning the annual meeting in Louisville, Kentucky in November. The annual meeting committee is beginning to make preliminary plans. With the impact of COVID-19 on events, we are going to need to be creative. If you are considering/planning to attend the 2020 annual meeting, please email me at [president@beltie.org](mailto:president@beltie.org) to help the annual meeting committee plan.

Lisa may also be reached from 4:00 to 6:00 p.m. from Monday to Wednesday and until 5:30 p.m. on Thursday. She is not in the office on Friday, but Caleigh is still available to assist you that day.

# APPENDIX RECORDATIONS

The Appendix recordation of the Belted Galloway Society registry was established in the late 1960's as an aid to increase the number of registered Belted Galloway cattle, which at that time was very limited. In 1995 the BGS Council commissioned a study of the Appendix recordation to determine whether changes needed to be made. The Council instituted the following changes January 1, 1996.

1. Only polled, solid colored, beef type cows would be accepted as base cows in the breed-up portion of the appendix.
2. Four generations of matings would be necessary for the resultant female offspring to be considered pure-bred.
3. This determination was based on recommendations from the American Livestock Breeders Conservancy. Note – bulls can only be registered if they are from registered, purebred cows and registered bulls.

## Appendix Upbreeding Program

A new recordation number system was introduced to provide information as to the status of the recorded animal and its origin. Here are some examples of scenarios:

- If a crossbred (commercial) black cow fitting the base cow requirements was mated with a registered Belted Galloway bull, the resultant black, female offspring, properly marked, would have a recordation number – A12345B, 1/2BGXX.
- If a recorded 1/2 Belted Galloway cow of Angus origin, was mated to a registered Belted Galloway bull, the resultant black female offspring, properly marked, would have a recordation number – A12345B, 3/4 BGAN.

- If a recorded 3/4 Belted Galloway cow of red Galloway origin was mated to a registered Belted Galloway bull, the resultant red female offspring, properly marked, would have a recordation number – A12345R, 7/8 BGGA.
- If a recorded 7/8 dun Belted Galloway cow of Simmental origin was mated to a registered Belted Galloway bull, a properly marked dun female offspring would have a recordation number – 12345D, PBSM.

## Mismarked Purebred Females

Mismarked purebred females are recorded identifying the type of mismarking that caused it to be placed in the appendix. Their recordation numbers would be as follows.

- 12345B, M1 – for a black purebred heifer with an incomplete belt
- 12345R, M2 – for a red purebred heifer with no belt
- 12345D, M3 – for a dun purebred heifer with white above the dewclaw
- 12345B, M4 – for a black purebred heifer with white elsewhere on the body

The same (M) designation would be included in recordation of mismarked Appendix heifers.

According to experts a breed would need one million registered animals before it would be practical to close the herd book and eliminate the Appendix recordation.

CODE: M1 — INCOMPLETE BELT

CODE: M3— WHITE ABOVE THE DEWCLAW

CODE: M2— NO BELT

CODE: M4— WHITE ELSEWHERE ON THE BODY

# SBGA FIELD DAY & SHOW

by Greg Hipple

Under a bright blue sunshine-filled sky, 81 members and guests of the SBGA gathered at the Double M Ranch, Malone, Texas on Saturday, May 30, 2020. The annual meeting, field day and show hosted by Dawson and Barbara Masters was a day of education, fellowship, food, fine Belted Galloway Cattle, and much laughter.

The day began at 10:00 am with a halter show in an outside arena provided by Jerry Wells, owner of "The Feed Store" of Hubbard Texas. This halter show was followed immediately by a pen show. Thirty-one head of cattle were exhibited under the bright Texas sky. Judging the event was Judge Brian Rogers, of Bryan, TX. Judge Rogers, many may recognize as the rancher who hosted over 400 youth exhibitors at his ranch after the cancellation of the Houston Livestock Stock show. At the conclusion of the

show, a lunch was provided for the attendees under a Texas-sized tent complete with red and white tablecloths and chandeliers. After lunch, Rick Sliger (TX), gave a presentation on combating heat stress for breeding bulls by swimming his dun bull in the Masters' pond (cover photo.)

After all the food and fellowship, Angie Gragg, an animal nutritionist, of Justin, Texas spoke to attendees and provided insight on management, nutrition, and supplementation. At the conclusion of the fun, the annual meeting of the SBGA was held, including election of officers and directors. The annual event, which had been moved to the Double M from Fredericksburg to hopefully alleviate concerns and allow for social distancing under an open sky environment was an absolute success. There were attendees from at least 4 states, and all had an enjoyable time. Planning is underway for another successful event in 2021.

# JUNIOR VIRTUAL SHOW RESULTS

by Dustin James, Co-Chair National Jr. Show Committee

As a past Belted Galloway Junior member, I knew that our youth members from around the nation were the ones who were really being effected by this. Every day on social media I watched as more and more shows continued to be canceled. I knew we had to do something to keep these youth member's spirits up and find a way to recognize the endless hours of passion and hard work that they had already put into these projects. We couldn't let them down! This motivated me to develop a platform to do just that, and I'm proud to report, we successfully held the first ever Virtual Belted Galloway Jr. Show, The First Edition!

Thirty-eight Belted Galloway Junior members from around the country and even into Canada brought forward a spectacular set of 60+ animals for the first ever Virtual Belted Galloway Show! We were blown away by the quality of both the children and the livestock. Each entry was required to submit both a photo and video of the animal for evaluation by our judge. The judge evaluated the cattle just as they were at a standard show and placed each class backed by a set of oral reasons. Both the steer and heifer classes were filled with immense quality from end to end.

Our judge, Kaye Kaufman of Kentucky, expressed a wonderful take-home message at the conclusion of the show. She said, "It has been enjoyable to see all the hard work these kids have put into these projects," and "Keep up the hard work! Don't get discouraged if virtual shows are the extent of what you are able to participate in for the next few months. There is no doubt we'll be back showing livestock at some point. Don't let your interest in the projects wane as we continue on." We couldn't agree more! Congratulations to all youth on your accomplishments and perseverance despite the recent cancellations of many shows. Keep up the hard work and stay positive!

# FOR SALE

**CT-** Two open purebred registered yearling heifers from the Abbey of Regina Laudis, spring 2019: Regina Laudis Notre Dame 45415-B, born 4/17/19 (at right); and Regina Laudis Pearl Harbor 45416-B, born 6/9/19 (at left); both sired by Meadow View Mojave 38974-B. Both have good dispositions and wide belts, from the line of Holbrook Hill Siddhartha on their maternal side. Good breeding prospects. Contact Sr. Augusta, Bethlehem, CT at (203) 266-7803 or by e-mail: sraugcollins@gmail.com.

**OK-** Ten registered bulls, ranging from 1 to 6 years: OK Hills Ron Howard 44655, DOB 5/18/18; OK Hills Wyatt Earp 44653, DOB 4/1/18; OK Hills Bill Dalton 45652; OK Hills Hopalong Cassidy 44476, DOB 4/4/18; OK Hills Gene Autry 44475, DOB 3/11/18; OK Hills Roy Clark 44474, DOB 5/3/18; OK Hills Sam Walton 41950 DOB 3/12/17; OK Hills Gordon Cooper 41949, DOB 5/2/17; Legacy Tundra 38609, DOB 9/23/13; Waits Ridge Charles 41707, DOB 8/16/18. Also six nice 2019 heifers, all registered. Midge Graves & Bud Hammons, Coyle, OK 73027; info@okhillsfarm.com ; (405) 612-2716 or (405) 612-2741.

**ME-** Mitchell Ledge, Freeport, ME has a wide range of Black belted breeding stock available. Also feeder calves. Transport available. Call Andy LeMaistre (207) 838-0402, email Andy@MitchellLedgeFarm.com.

**OK-** Four registered heifers and 1 registered bull for sale. Several steers available also. These are all very nice cattle, well marked with great, gentle dispositions. They were all sired by FSB Wiga's Zopman 35956-B, an exceptional bull from Aldermere and Anderson Hill genetics. Rainbow Valley Cheyenne 45035-B. DOB 2/25/19. Rainbow Valley Sydney 45036-B. DOB 2/22/19. Rainbow Valley Memphis 45037-B. DOB 3/9/19. Rainbow Valley Madison 45038-B. DOB 3/21/19. The young bull, Rainbow Valley Bojangles 45033-B, DOB 2/18/19, has been DNA tested and verified. For more information, contact Doug and Barbara Swindell, Rainbow Valley Ranch, Wellston, OK. (405) 659-8731 or doug@eatonquade.com.

**MO-** Several excellent Belted Galloways are available for sale: Anderson Hill Danielle 19U,29446. DOB: 3/15/08, safe in calf, AI to Aldermere Zale36064 on 12/16/19 and then pasture exposed to FSB Astronomy44385 from 1/1/20 to 3/1/20. Danielle was National Grand Champion in 2008. Holbrook Hill Venus 3W 31760. DOB: 7/8/09, goes back to the famous Aldermere Ronda cow family and is safe in calf, AI to Eastman Warrior32349 on 12/16/19 and then pasture exposed to FSB Astronomy 1/1/20 to 3/1/20. Anderson Hill Kayak C35 38707. DOB 4/16/15, is a beautiful fronted Belted Galloway that will produce those top notch show heifers, renowned show cow family Anderson Hill Wise Maiden. Kayak is safe in calf and was AI on 12/16/19 to Eastman Warrior and then pasture exposed to FSB Astronomy from 1/1/20 to 3/1/20. FSB Petal 696D 41647. DOB: 12/5/2016, safe in calf. Petal was AI to Eastman Warrior on 12/16/19 and then pasture exposed to FSB Astronomy from 1/1/20 to 3/1/20. Petal is a daughter of Anderson Hill Darrielle, National Grand Champion female. FSB Bluebell 699D 41887. DOB: 12/29/16. This female has a rare outcross pedigree. She is an ET daughter out of Anderson Hill Weekend Gal and Southfield Ronaldo (an imported bull). Great opportunity to obtain a female out of Weekend Gal, maybe the best female ever produced from Anderson Hill. She is safe in calf to FSB Astronomy and exposed 1/1/20 to 3/1/20. FSB Dream Decor 983G, born 12/20/19, this young heifer would make an excellent show heifer to help promote your program to the future, registration pending. Cattle are located in central Missouri. Four Starr Belties, Greg Starr DVM, (913) 634-3494, dvmfleckvieh@me.com or fourstargenetics.com.

**IA-** Yearling May bull by Sutliff's Donald Vernon out of Big Creek Queenie. Big Creek Xanadu 45552B is thick framed, straight legs and correct. Traditional Beltie conformation with a broad back and a curly thick double coat. Quiet and easy going. Karen Thornton, Big Creek Farm, IA. big-creek@msn.com (319) 389-9647.

**IL-** Two yearling bred heifers, one yearling open heifer all sired by Oak Valley Edsel 43125-B for sale. (#2 photo) Klover Korner's Gin 44736-B. DOB: 4/30/19. Fancy late April heifer tracing to Australian influence of Longfield Roberto and Shiralee Jezebell and to Stonehedge Patriot. Her dam is one of the largest and best milking dams in the herd. (3 photo) Klover Korner's Lady Gaga 44737-B.W. DOB: 3/25/19. Top prospect in the three-quarter sister to Klover Korner's Geo tracing to the red matron Orchard Ridge Summer and directly to Southdown Unique 9 U and Meadowood Wayland. Tiny white spot on right hind foot. All pasture exposed to a red bull, MrB's Red Miles 724 41926-R. (#6 photo) Yearling open heifer: Klover Korner's Geneve 44907-B. DOB: 5/25/2019. Dam: Klover Korner's Eve 42560. Contact Kathi Jurkowski, Klover Korner's Farm, Rockton, IL. kathikowski@gmail.com or (815) 629-2306

**AL-** Bull for sale. White Sulfur RC Curry MC 35955-B. DOB 11/10/12. Driftwood bloodlines, active breeder, sired 24 calves. Contact Dam McCrimmon, 5060 Pleasant Hill Rd, Bessemer, AL. (205) 718-1252

**WI-** Selling three-year-old bull. MRB'S Red Miles 41926-R. He has sired 12 calves last year, 10 were heifer calves. Located in Beloit, WI. Barbara Beeler, Double B Farm. Contact doublebfarm76@outlook.com or (608) 921-0293

**OH-** Proven red bull. Pin Oak Boss 38967-R. DOB 11/5/14. Sire: Rockwater Red-bull. Dam: Pin Oak Rusty. Lineage that goes back to the greats Starlite Redman and 4WF Tango. Calving ease has been a big plus from this guy! He has been good to us, but it's time for new pastures. Hendershot's Belties, Spencer, OH. Contact Dozier Hendershot Sr (330) 421-1902 or Dozier Hendershot II (330) 421-6190

**ME-** Registered black Beltie heifers. Deer Brook Freedom 45060B DOB 7/4/19 and Deer Brook Noelle pending DOB 12/28/19. Both sired by Aldermere Eastman Yale 33763-B. Both are good breeding prospects with good markings and dispositions. Dave Sinclair, Deer Brook Farm, Wayne, ME. Cell 207-446-5484 email dave@divefishmaine.com.

**UT-** Hobbie Horse Farm has several animals for sale. Circle W Sunday, is a nine-year-old registered bred cow. Sunday has given us some of our top calves. She is a black and white cow, but has had both red and white and black and white calves. Sunday carries the red gene. Hobbie Horse Farm Napoleon 43672-B (pictured) is a 21-month-old registered bull. He was tested by Hoffman Breeders to be one of the best young bulls they have ever tested. He was raised in the barnyard and has a good temperament with the herd. He is a black and white bull that also carries the red gene. He is a block and well-marked. Sired by Circle W Boyd and his dam is Hobbie Horse Wendy. Hobbie Horse Ramses 44972-b is a ten-month-old black and white bull. Gentle personality and well-marked. He is registered and DNA tested. Sired by Hobbie Horse Sunsetter and his dam is Hobbie Horse Wendy. Also available on the farm, tested semen and steers. Richard Williams CEO, Hobbie Horse Farm, Paradise, UT. (435) 245-4594 or Hhf14555@gmail.com,

**MO-** One registered and two recorded heifers for sale. Smith Fork Creek Ruby 44967-R PBXX, born 4/6/19, is a 15/16. Smith Fork Creek Kat 7/8 BGXX A 44969-R, born 4/29/19. Smith Fork Creek Pearl A44968B7/8 BGXX, born 4/8/19. Pictures available upon request. Transportation may be available at low rate. Also discount for multiple purchases. Contact Don Anderson at Smithforkcreek@gmail.com or cell (816) 604-7556
